

Press Note

Launching of Web-Portal of Technical Education Department

2/11/18

The web portal ***chdtechnicaleducation.gov.in*** of Technical Education Department was launched today by Shri Sachin Rana, IAS, Director-cum-Special Secretary, Technical Education, Union Territory of Chandigarh. All the Principals of Technical Education Institute and DTE staff were present on the occasion. The creation of web portal work has been carried out by Dr. Sunita Mehta, Nodal Officer(web-portal) under the valuable guidance of Director Technical Education.

Shri Sachan Rana, IAS, informed that the web portal will enable all the Employees of Chandigarh Administration to get themselves registered online for ICT Training Project named "GIANI" on first come first serve basis and Online Admission work of ITI's would also be carried through this portal in future. He also emphasized the importance of keeping up with Technology in the Workplace and believes in promoting paperless work which leads to eco-friendly environment.

All Officers/officials of Technical Education Department are very happy about promoting new technologies and appreciated the good initiative of Director Technical Education.
