

Directorate of Technical Education

Press Release on 11.6.2019

Subject: Launch of online Admissions Portal of Govt Industrial Training Institutes of UT Chandigarh

Today in the presence of Director Technical Education, UT Chandigarh Sh Sachin Rana IAS, officials of Directorate, Principals, trainers, students of Govt. Industrial Training Institutes, Shri. Jitender Yadav, IAS, Secretary (Sports & Establishment) & Special Secretary (Home, IT, Tourism) UT, Chandigarh launched Admissions portal (<http://www.itichdadmission.edu.in/>) at Govt. Industrial Training Institute for Women, Sector 11, Chandigarh. This portal is an effort of Directorate of Technical Education, UT Chandigarh to facilitate the admission seekers to apply in the trades of ITIs for the upcoming session. The provisions of helpdesk and Grievances Cell have been also provided at GITI, Sector 28, Chandigarh and GITIW, Sector 11, Chandigarh to resolve the queries of students.

During the event, Chief Guest appreciated the efforts of team of technical education and emphasized the continuous approach to make it more accessible for the students which will help the institutions to attract more quality students. Sh. Sachin Rana , IAS , DTE explained that as it is part of 100 day plan as proposed by the department, therefore, within limited time, it was designed, tested and launched with the hope that continuous repeated visit to institutions by student admission seeker will reduce and greater information will readily available for them at their own comfort. In the end, Principal GITIW thanked all dignitaries for their presence and motivation for achieving greater heights.
