

DIRECTORATE OF TECHNICAL EDUCATION,
CHANDIGARH ADMINISTRATION

PRESS NOTE

The Directorate of Technical Education, U.T has been awarded the **SILVER SKOCH AWARD** for implementation of GIANI (Govt. ICT Training-A new Initiative) project for providing ICT Skill training to all the employees of Chandigarh Administration. The award is bestowed after exhaustive research and expert evaluations.

This project is being executed under able guidance of **Secretary Technical Education, Sh S.S. Gill, IAS**, Director Technical Education, Sh Jagjit Singh, PCS and ICT Coordinator, Dr. Sunita Mehta.

The **Secretary Technical Education** honoured today the ICT team members by facilitating them with Appreciation Certificate. The ICT project was initiated on 10th Sept 2018 and will be completing in the year 2023. 6544 employees have been registered till date and more than 5000 employees have successfully completed ICT Training. The ICT Training is being provided through all the Technical Institutes under the purview of Technical Education department, Chandigarh Administration by the ICT trained faculty of technical institutions. The objective of this project is to keep knowledge of employees up to date at the workplaces, effective utilization of e-Governance Softwares, to maintain computational accuracy, improving employee productivity, efficient organization management etc. The cost involved in training the employees is very less due to resource sharing of Technical Institutions.
