

HOSTEL FACILITIES :

The institute has three separate hostel buildings in the campus. In hostels about 150 students are being accommodated where they are being given hot water and filtered drinking water. Geysers are provided for winter and water cooler for summer. The recreation hall of hostel is facilitated with cable connection TV, music system, newspapers and journals.

Cyber cafe

A well-equipped, modernized cyber cafe is available in the institute catering to the needs of students of hostels. They can have their own e-mail addresses and surf the internet as and when required.
